The quality of a mineral water will depend on the site of its source and the nature of the aquifer, the porous rock through which the water trickles. Just like wine, natural mineral waters have their own 'terroir', a French word that means that each place on earth has its own signature taste.

S. Pellegrino is a fine quality natural mineral water that flows from natural springs in Val Brembana in the San Pellegrino Terme area, at the foothills of the Italian Alps near Bergamo (Lombardy).

S. Pellegrino surfaces as perfectly sparkling and naturally enriched with mineral salts.

SPECIALTY GIN

- BROCKEN SPECTRE ‘Gin For Tonic’** *Tasmania, Australia* 18
Gin for Tonic was the brainchild of an avid gin lover, frustrated with the way tonic over powers the delicate flavours of the spirit. The goal was to create a beautiful and elegant gin that stood its ground to become perfectly balanced and that's how Broken Spectre Gin For Tonic was born.
We recommend serving on ice with any Fever Tree tonic or martin.
- BROCKEN SPECTRE ‘Summer Gin’** *Tasmania, Australia* 20
The Tasmanian Summer Gin is infused with locally grown saffron post distillation, giving the liquid and golden hue and allowing the full rich flavor of the spice to create a distinct powerful spirit.
We recommend serving on ice with Fever Tree Light Tonic, Martini.
- FOUR PILLARS ‘Bloody Shiraz Gin’** *Yarra Valley, Vic* 18
Aromatically it shows fresh pine needles, citrus and spice with distinct peppery, dense raspberry notes. The palate is lovely and sweet with long juniper character on the finish.
We recommend serving on the rocks.
- HARTSHORN ‘Sheep Whey Gin’** *Tasmania, Australia* 21
This distillery is a new Tasmanian micro distillery making boutique batches of gin from their own sheep whey. They are the first in the world to create this unique product. Hartshon use only Australian native botanicals (plus juniper). 3 of them never used before in any other gin.
We recommend serving on ice with Fever Tree Indian Tonic.
- MALFY ‘Con Limone Gin’** *Italy* 18
Malfy used a selection of coastal grown Italian lemons-some from Amalfi and some from Sicily to give the gin a fresh zesty aroma. Using Italian juniper and five other botanical including coriander, angelica and cassia bark to give the gin a delicious and refreshing bite.
We recommend serving with Fever Tree Mediterranean Tonic or Martini.
- NEVER NEVER ‘Juniper Freak Gin’** *South Australia* 21
2017 Limited batch release. The Juniper Freak is a celebration of Juniper. Its an oiled-up beast of a gin. Wonderfully intense, aromatic, flavoursome gin. Fragrant pine and earthy angelica with a touch of pepper berry spice. Incredibly long finish, with resinous juniper oils coating the palate and pepper berry developing late.
We recommend serving on the rocks with Fever Tree Indian tonic or martini.
- NOSFERATU ‘Blood Orange Gin’** *Australia* 18
A delicious viscous gin with a noticeable orange tang, spice, vanilla and just a hint of bitterness.
We recommend serving on the rocks or a great substitute for the standard Negroni.
- THE SPLENDID GIN ‘Summer Cup’** *Tasmania, Australia* 18
Delicate notes of mandarin, rosemary and bergamot are carefully preserved through vapour infusion and balanced with juniper and coriander botanicals
We recommend serving on ice with Fever Tree Mediterranean.
- WHITLEY NEILL ‘Handcrafted Dry Gin’** *Liverpool, England* 18
Slightly softer and much smoother than traditional Gins, with rich notes of juniper and citrus, potpurri and exotic spices. The finish is a long one, with a subtle fade of herbs, cocoa and candied lemon peels, while the nose is both citrus-sweet and peppery, with a distinctive floral aroma.
We recommend serving on ice with Fever Tree Light.
- WHITLEY NEILL ‘Rhubarb & Ginger Gin’** *Liverpool, England* 18
The essence of rhubarb adds a tart crisp edge to a smooth English gin based while the ginger extracts warms the palate for a full-bodied finish. Botanical of Juniper, Orange, Lemon, Orris Bark, Coriander Seed, Angelica Root, Rhubarb Extract, Ginger Extract and licorice.

COCKTAILS

- AMERICANO** 16
Campari, Vermouth, Soda
This true classic was first served in the 1860s at Gaspare Campari's bar in Milan Italy. It was named 'Milano-Torino' because of the origins of its two primary ingredients: Campari calls Milan home and sweet vermouth is also known as 'Vermouth di Torino' or Italian vermouth. The cocktail was later renamed because of its popularity among American tourists around the turn of the 20th century and prior to the Prohibition. It's also fascinating to note that the Americano spurred the creation of another famous Campari cocktail in the 20s, The 'Negroni', it's said, was invented because one Count Camillo Negroni ordered an 'Americano with gin' while at a café in Florence, Italy.
- APEROL SPRITZ** 18
Aperol, Cantine Lamberti Prosecco, San Pellegrino
Aperol Spritz became popular in the 1950s, inspired by the Venetian mix of white wine and soda. The drink incorporates the Italian aperitif Aperol, which originated in Padua, Italy, in 1919 as a light liqueur alternative. It is the most popular summer drink of Italy and is perfect for a nice spring or summer day in Mooloolaba.
- CANDY APPLE MARTINI** 19
Chambord, Apple Liqueur, Russian Standard Platinum Vodka, Apple Juice
- CARDINALE** 18
Bombay Sapphire, Dry Vermouth, Campari, Cloudy Apple Juice
The Cardinale was invented by a Cardinal who frequented the Excelsior Hotel on Via Veneto in Rome. He suggested the recipe to his bartender, and the idea was a success with the other clients too, so the bartender christened the cocktail with the name 'Cardinale'.
- CARIBBEAN COOLER** 18
Plantation Pineapple Infused Rum, Lime Juice, Apple Juice, Pineapple Juice, Lic 43
Plantation Pineapple has a rich and delicious bouquet, accented by smoky notes and aromas of tropical fruit, pineapple, citrus peel, and a touch of clove. The palate opens with a structured, pleasant sensation of ripe banana, pineapple, and spices layered in a smoky finish. Our version of the Pineapple Daiquiri is shaken on ice to extrude the true characteristics of the pineapple.

- LYCHEE BOMB** 19
Lychees, Russian Standard Platinum Vodka, Apple Liqueur, Lychee Liqueur, Egg White
- MANHATTAN** 18
Slow & Low Rye Whiskey, Sweet Vermouth, Cherry
- The original "Manhattan cocktail" was a mix of "American Whiskey, Italian Vermouth and Angostura bitters". During Prohibition (1920–1933) Canadian whisky was primarily used because it was available.*
- MOCKTAIL** 16
Ask our bar tender for our 'In Season' fruit based non-alcoholic mocktail
- NEGRONI** 18
Campari, Tanqueray No10 Gin, Martini Rosso,
- While the drink's origins are unknown, the most widely reported account is that it was first mixed in Florence, Italy, in 1919, at Caffè Casoni (formerly Caffè Giacosa), located on Via de' Tornabuoni and now called Caffè Roberto Cavalli. Count Camillo Negroni concocted it by asking the bartender, Fosco Scarselli, to strengthen his favorite cocktail, the Americano, by adding gin rather than the normal soda water.*
- The bartender also added an orange garnish rather than the typical lemon garnish of the Americano to signify that it was a different drink.*
- PATRON XO ESPRESSO MARTINI** 21
Patron XO Tequila, Patron Silver Tequila, Mozart Chocolate Liqueur, Di Manfredi Espresso
- SICILIAN COSMO** 19

Mr Black Coffee Liqueur, Di Manfredi Espresso, Mozart Chocolate Liqueur,
Russian Standard 'Platinum', Mascapone (contains traces of nuts)
- VERY SEXY MARTINI** 19
Fresh Raspberries, Mint, Lime, Organic Vodka, Sparkling Rose
- VESPER** 20
Hendricks Gin, Russian Standard Platinum Vodka, Lillet Blanc
- The drink was invented and named by Ian Fleming in the 1953 James Bond novel Casino Royale.*
- A Vesper differs from Bond's usual cocktail of choice, the martini, in that it uses both gin and vodka, Kina Lillet instead of the usual dry vermouth, and a lemon peel instead of an olive. Although there is a lot of discussion on the Vesper, it is only ordered by Bond once throughout Fleming's novels – although Bond drinks the Vesper in the film Casino Royale – and by later books Bond is ordering regular vodka martinis, though he also drinks regular gin martinis. Felix Leiter ordered a Vesper for Bond in the novel Diamonds Are Forever, albeit with Cresta Blanca in place of Kina Lillet, which Bond politely remarks is the "Best Vermouth I ever tasted." It may be that Fleming decided not to have Bond order a Vesper again due to the way in which Casino Royale ends.*
- WHISKY SOUR** 19

"The flagship Grosset Riesling is a more restrained and savoury affair than the Springvale showing plenty of lime juice and sweet perfume, and smells of wet grey rock, lime blossom and a fresh-cut green apple. The palate's smooth, dry and contained with a sleeve of ripe white-peach flavour that runs in linear shape with compound, sleek restraint. Snaps tight and mouth-wateringly dry through to the finish – really superb."

WHITE BURGUNDY

For winemakers, 'White Burgundy' may be just the Helen of Troy of Chardonnay because nearly everyone who's ever made chardonnay has looked to the white wines of 'Bourgogne' as gold standard.

All in all, white Burgundy is just another Chardonnay, but the region is also the origin place of the Chardonnay grape variety.

In Burgundy, the combination of climate, land, and tradition produce a wine that is covered by many and never precisely replicated anywhere else.

2011 Giaconda 'Estate Vineyard' Chardonnay Wine of the Year, The Australian Wine Annual 2013

"Once again, recent tastings have exceeded my expectations. A signature nose of matchstick and meal with powerful underlying minerality. Like 2010 this wine reflects many characters from some of best vintages of the 90's. A very powerful palate, tight and racy. Wonderfully subtle fruit, well integrated with complex secondary characters, fine acidity and great length. This wine will develop into a real classic, quite in the style of traditional Burgundy. This wine will have great longevity"

-Jeremy Oliver, The Australian Wine Annual 2013

"A beautiful release. As intriguing as it is delicious. Wild with complex, herb-strew flavour, but has excellent fruit intensity and a matrix of tannin keeping it firmly in place. Spice, meat and tangy rhubarb-like characters flitter about the core of cherry-plum. It promised to age exquisitely."

"Straight into excellent territory here. So complex, so satiny, so well framed, so persistent. woodsmoke, sulphur, tangy red/black cherry, super-fresh strawberries and fistfuls of dry spice. Sinewy and satiny simultaneously. It will develop beautifully but personally I wouldn't be able to resist right now".

Gamay-based wines are typically light bodied and fruity. Wines meant to be drunk after some modest aging tend to have more body and are produced by whole-berry maceration. The latter are produced mostly in the designated 'Cru Beaujolais' areas where the wines typically have the flavour of sour cherries, black pepper, and dried berry, as well as fresh-cut stone and chalk.

Red Burgundy is wine that is made in the Burgundy region of eastern France using 100% Pinot Noir grapes. That's right, red Burgundy is just a Pinot Noir.

These wines are considered to be the best money can buy, which is why they're some of the most expensive in the world.

What makes both Burgundian wines so special, is that Burgundy, more than probably any other wine region in the world, is completely influenced by its terroir. Terroir is a sense of place, it means that when you drink a wine, you completely taste the region where the wine was made. Most simply, terroir is the concept that the land from which

the grapes are grown imparts a unique quality that is specific to that single vineyard.

Over the centuries, Burgundy has become known for being the best land in the world for producing both Pinot Noir and Chardonnay.

2007 Faiveley 'Mazis-Chambertin' Grand Cru

Appellation Description

This site is named after the small houses known as 'Mazis' that used to be present on the parcel. It is the most northern of the Gevrey-Chambertin Grand Crus. This parcel lies in the 'Mazis Haut' (upper Mazis) and offers a unique terroir compound of an alluvial cone where scree from the valley has gathered. The wines produced in this climat are seductive, lively and very deep.

The Vintage

The weather conditions in 2007 were quite unusual. Controlled yields were rewarded by very high-quality wines with intense aromas, elegant structure and good balance.

Tasting

The wine reveals a deep ruby red hue and intense notes of oak, spice and red fruits on the nose. The palate offers the same aromas and the nose with a harmonious combination of fruity and oaky notes. With its smooth tannins and long, lingering finish, this well-balanced wine is the epitome of elegance.

ITALIAN WINE CLASSIFICATIONS

Denominazione di Origine Controllata e Garantita (DOCG)

This classification denotes the highest quality recognition for Italian wines. It is comprised of a relatively limited number of first-class wines. DOCG wines must meet all of the label requirements that the DOC wine must maintain with added caveats indicating stringent vineyard yield, grape types grown within precise boundaries, specific alcohol levels, and minimum aging requirements.

Tuscany and Piedmont carry the most DOCG wines in Italy.

Denominazione di Origine Controllata (DOC)

Basically the equivalent of the French wine classification, Appellation d'Origine Contrôlée (AOC).

Wines that fall under the DOC category must be made in specified, government defined zones, in accordance with particular regulations that are intended to preserve the wine's character that is uniquely derived from Italy's individual regions. There are currently over 300 DOC wines in Italy, all adhering to specific vineyard trellising, irrigation and vinification requirements detailing which grapes may be grown and where along with aging requirements and alcohol limits.

Indicazione di Geografica Tipica (IGT)

These table wines are often ubiquitous wines that are grown in specific geographical growing regions.

However, there are exceptions -- some of Italy's best wines (aka the "Super Tuscans") do fall under this category just to avoid more stringent regulations associated with DOC or DOCG and allow for more vineyard experimentation.

“Initially, this seems soft and super ripe. But the acidity that shows through balances the black cherry jam flavours, and the touch of mint gives a delicious edge. The aftertaste brings back juicy, ripe fruit.”

WINE REGIONS OF BORDEAUX

As a very broad generalisation, Cabernet Sauvignon (Bordeaux's second-most planted grape variety) dominates the blend in red wines produced in the Médoc and the rest of the left bank of the Gironde estuary. Typical top-quality Châteaux blends are 70% Cabernet Sauvignon, 15% Cabernet Franc and 15% Merlot. This is typically referred to as the "Bordeaux Blend". Merlot tends to predominate in Saint-Émilion, Pomerol and the other right bank appellations. These Right Bank blends from top-quality Châteaux are typically 70% Merlot, 15% Cabernet Franc and 15% Cabernet Sauvignon.

The **Bordeaux Wine Official Classification of 1855** resulted from the 1855 Exposition Universelle de Paris, when Emperor Napoleon III requested a classification system for France's best Bordeaux wines that were to be on display for visitors from around the world. Brokers from the wine industry ranked the wines according to a château's reputation and trading price, which at that time was directly related to quality.

The wines were ranked in importance from first to fifth growths (crus). All of the red wines that made it on the list came from the Médoc region except for one: Château Haut-Brion from Graves

2015 Dominus Estate Napa Valley, California USA 1500
(86% Cabernet Sauvignon/9% Petit Verdot/ 5% Cabernet Franc)

In the late 1960's, while attending the university of California at Davis, Christian Moueix fell in love with the Napa Valley and its wines. Son of Jean-Pierre Moueix, the famed wine merchant and producer from Lisbourne, France, Moueix returned home in 1970 to manage the family vineyards, including Chateaux Petrus, La Fleur-Petrus, Trotanoy in Pomerol and Magdelaine in Saint Emilion.

His love of Napa Valley lingered and in 1981, he discovered the historic Napanook vineyard, a 124-Acre site west of Yountville that had been the source of fruit for some of the finest Napa Valley wines of the 1940's and the 1950's. In 1982, Moueix entered into a partnership to develop the vineyard and in 1995, became its sole owner. He chose the name 'Dominus' or 'Lord of the Estate' in Latin to underscore his longstanding commitment to stewardship of the land.

2015 Dominus Estate 100* Points

"The 2015 Dominus is a flawless perfect wine as well as a legend in the making. A blend of 86% Cabernet Sauvignon, 9% Petit Verdot and the rest Cabernet Franc, from dry-farmed vines and brought up in just 40% new French oak, its ruby / purple colour is followed by an extraordinary bouquet of blackcurrents, crème de cassis, damp earth, smoke tobacco, and spring flowers.

Reminding me of the 2015 Chateau Margaux with its incredible mix of elegance and power, this beauty hits the palate with full-bodied richness, stunning purity of fruit, building tannins, and awesome length. This sensational textured and voluptuous Dominus drinks well today yet will evolve for 25-30 years or more."

~Jeb Dunnuck January 2019

2015 Dominus Estate 100* Points

"Bottled in July 2017 and composed of 86% Cabernet Sauvignon, 9% Petit Verdot and 5% Cabernet Franc, the Dominus 2015 Propriety Red leaps from the glass with notes of fresh wild blueberries, crushed blackberries and black currant juice with touches of wild thyme, underbrush, iron ore and aniseed with wafts of lavender and pencil lead. Medium to full-bodied, the palate has incredible energy and vivacity, with the firm, pixelated tannins and lively backbone skilfully framing the muscular fruit, finishing with wonderful length and depth.

Yalumba 'The Caley' 2012

98* Points

"While many Australian winemakers are opting for single-vineyard, single-varietal wines for their top labels, Yalumba is deliberately harking back to the 19th and 20th century traditions of the multi-district, multi-varietal blend. The Coonawarra component brings gorgeous blackcurrant perfume and fine, grippy tannins to the wine, while the Barossa brings generous, mouth-filling richness. An impressive red that will develop very well in the cellar over decades."

Saltram 8th Maker 2002

97* Points 2003 Jimmy Watson Trophy Winner

"Pristine, elegant and stylish, this is a classically balanced, spotlessly presented and silky-fine shiraz. Its heady and brambly, with pure flavours of dark cherries, cassis and dark berries backed by smoked bacon-like oak, suggestions of licorice and musky spices. Long and harmonious, its super-plush palate finishes with a hint of savoury saltiness".
